MASTER IN HUMAN DEVELOPMENT AND FOOD SECURITY

**ACADEMIC YEAR 2022/2023
DEADLINE 30TH MAY 2022**

Are you interested in upskilling your knowledge and understanding of human development and food security?

Would you like to learn new techniques, frameworks and tools to truly understand (local) reasons for poverty?

Are you passionate about ensuring that the most vulnerable groups are actively involved in developmental decision-making?

Then the Master in Human Development and Food Security based at the Economics Department, University of Roma Tre, might be the best next step for you!

The application form for the 2022/2023 academic session is now open and you can access it here:

Deadline to apply: **30th May 2022**

For more information about the programme, please see the [website](#).
