

**Dipartimento
di Economia**

PHD IN ECONOMICS 40TH CYCLE

**SCUOLA DI ECONOMIA E
STUDI AZIENDALI
VIA SILVIO D'AMICO, 77, ROMA**

The Ph.D. program in Economics offers the opportunity to research many areas of Economics following a plurality of theoretical approaches and with a strong emphasis on the empirical analysis.

The Ph.D. program rests upon long-standing research and teaching cooperation with other prestigious Italian and foreign universities ([University of Massachusetts at Amherst](#), [London School of Economics and Political Science](#)), national and international research centres ([Centro Rossi-Doria](#), [Centro Sraffa](#), [Institute for New Economic Thinking](#)) and organizations ([Food and Agriculture Organization](#), [International Fund for Agricultural Development](#)).

Periods of study and research at foreign universities, institutions and research centres international institutions and research centres are encouraged.

KEY ELEMENTS:

- Full scholarship (36 months) and research funds for admitted students
- Advanced classes on core subjects (macroeconomics, microeconomics, mathematics and statistics)
- Close interaction with universities and research centres located in Rome
- Links to top international universities and research networks
- Participation in national and international research projects
