

# 25<sup>th</sup>

# Photonics Society Italy Chapter April 28, 2022 | 15<sup>00</sup>

- 15:00 **René-Jean Essiambre**  
President of the IEEE Photonics Society  
**Welcome address**
- Antonio d'Alessandro**  
Sapienza University of Rome  
Chair of the IEEE Photonics Society - Italy Chapter  
**Overview on the chapter**
- 15:20 **Silvano Donati**  
Founder and 1st Chairman  
University of Pavia  
**Electro-Optical instrumentation**
- 15:40 **Orazio Svelto**  
Politecnico di Milano  
**Past and Future of Lasers**
- 16:00 **Pietro Ferraro**  
ISASI, National Research Council  
**Single cell analysis by unstained optical microscopy**
- 16:20 **Guido Chiaretti**  
MoreSense S.r.l.  
**Photonic Startups: mission impossible in Italy?**
- 16:40 **Gabriella Bosco**  
Editor in Chief, IEEE Journal of Lightwave Technology  
**Gabriella Cincotti**  
Editor in Chief, IEEE Photonics Journal  
**Trends and challenges of scientific publishing in the field of optics and photonics**
- 17:00 Open Discussion
- 17:40 Conclusions
