

RIBA President's Medals 2020 Student Nomination Form

Please read the Guideline and Requirements document before completing this form.

Students whose work has been nominated for the 2020 RIBA President's Medals must provide information that identify them by typing inside the boxes below.

If the entry was produced by more than one student author, separate rows must be added to provide their details. Individuals not included in this form **will not** be added subsequently and will not feature in publications associated with the awards.

Once all sections are completed, this form must be emailed together with the Tutor Information Form and all digital content for the entry to presidents.medals@riba.org.

This information will be used for the awards administration only and will not be made public.
